

Play Like a **FREE** GIRL Day

Saturday, May 30
9:30AM-12PM
Burton Wells Athletic Fields

Hosted by

Miss Beaufort

This could be the day a girl discovers the sport that changes her life.

Somewhere out there is a girl ages 5-18 who just hasn't discovered her sport yet. That's why Miss Beaufort, Kirsten Stone, has partnered with us to invite girls to a completely FREE morning of sports exploration, confidence-building, friendship, and fun.

This won't be about pressure. It's only about possibility.

Try different sports

Meet new friends

Learn from local athletes & mentors

Enjoy the photo booth & fun surprises

Discover what makes your daughter feel strong, confident, and unstoppable

With 9 different sports to explore, this is the perfect chance for your daughter to step outside her comfort zone, cheer her on, and discover a lifelong passion along the way. We're even going to open Fall Youth Sports online registration early so you can register your daughter while her enthusiasm is red-hot!

Keep your pets at home, please.
