Light Up the Night.

Some art hangs on a wall. This art marches down the beach. Create your own illuminated lantern sculpture and become part of one of the Lowcountry's most enchanting traditions during the Hilton Head Island Lantern Parade on November 14.

Imagine carrying a glowing jellyfish, a whimsical animal, a colorful flower, or a design that's entirely your own. You'll transform a simple paper globe lantern into a one-of-a-kind illuminated sculpture that's sure to turn heads after sunset.

No artistic experience is required. Just bring your imagination—we'll provide everything else.

All Materials Included - Your registration includes everything needed to create your lantern, including the paper globe base and decorating supplies. An experienced instructor will guide you through the creative process while encouraging you to make your lantern uniquely yours.

By the end of the evening, you'll leave with a finished lantern that's ready to shine during the Hilton Head Island Lantern Parade.
