FIND YOUR MIDWEEK RESET IN NATURE

Slow down, breathe deeply, and reconnect with the outdoors.

Join our Walking Club for a refreshing five-week series exploring some of Beaufort County's most beautiful natural spaces, including Burton Wells Walking Trail (Pond), Cypress Wetlands, and Crystal Lake Park. Each walk offers a chance to enjoy scenic views, spot local wildlife, and experience the simple joy of being outside.

Whether you're looking to clear your mind, meet new people, or simply spend more time in nature, this welcoming group is the perfect way to start your Wednesday. Come walk beneath the trees, listen to the birds, and discover how a little time outdoors can leave you feeling refreshed, recharged, and ready for the rest of your week.

We can't wait to explore with you.
