“I hope I can be
the autumn leaf,
who looked at the sky
and lived. And when
it was time to leave,
gracefully it knew
life was a gift.”

Autumn Tongue Twisters

**Lovely leaves lightly
land on the lightly
landed lovely leaves**

I thought a thought, but the thought I
thought wasn't the thought I thought I
thought. If the thought, I thought, had
been the thought I thought, I wouldn't
have thought so much!

**The big black bug bit the big black
bear, but the big black bear bit the
big black bug back!**
