Tennis, But Make It a Girls' Night.

Ladies, consider this your excuse to get out of the house, put on a cute tennis outfit, and do something that's actually for YOU. The "Learn to Play" Tennis Clinic, presented by Public Tennis, is perfect for women 21+ who have always wanted to try tennis but don't know where to start.

Think less intimidating country club tournament and more girls' night out with a little cardio.

Come learn the basics, laugh at the occasional wild swing, build your confidence, and meet a fun group of ladies who are also trying something new. No experience? No problem. You don't need to show up knowing how to play—you just need to show up ready to have fun.

Because sometimes the best thing you can do for yourself is get out of the house, try something new, and say yes to a little more fun.
