Dear DYS Fans,

On behalf of the South Carolina DYS Board, I would like to welcome you to Beaufort County and the Diamond Youth Softball 12u and 15u State Tournament. I hope that each of you will enjoy your stay in the “Lowcountry” take advantage of the many treasures that it holds.

I also hope that you will appreciate the hard work that the Beaufort County Parks & Recreation Department has done to make this tournament a wonderful experience for all to enjoy.

The players and coaches gathered here this week represent the finest talent in South Carolina. It is a great opportunity to see these young players achieve such recognition. They all came here as champions and they will return home the same. While only one team will be crowned champions, each player and coach will win from their experience alone.

I hope that the fans will remember to cheer for their team as hard as the players will play and the sportsmanship the players and coaches’ show on the field will carry over to their fans throughout the weekend.

Best wishes to everyone and good luck to each team and their fans this weekend.

Sincerely,

Shawn Taylor
